It was felt that the Horticultural Society should be involved at an early stage. A planning application would probably be required and MB will look into this. It seemed unlikely that the tunnel would be available for this years planting but that NB and MB will try to get things started in a small way with interested gardeners.</p>	<b>MB</b>

<b>8</b>	<p><b>Any other competent business</b></p> <p>It was agreed that the Trust should register the domain name Atlanticislandscentre.org for use in the future.</p> <p>The Trust AGM is planned for mid to late May 09.</p> <p>A vote of thanks was sent to Mrs R Barlow for a very successful Astronomy Night at Cullipool hall. It is hoped that a new constellation can be named from using dates which have significance to Luing and using these to select stars which have a corresponding distance in light years from earth. It is hoped that the pattern of these stars will suggest outlines of images relevant to the island and this will then become the Luing Constellation.</p> <p>The Geopoetics Summer Festival will be 4 – 11 July 2009.
