Sun 23rd September - Isle of

Luing Community Trust AGM.

'WHATS ON' LUING

Look out for a new large notice board in the Centre dedicated to showing all useful dates/events across the Island for the months ahead. All are welcome to add information.

COMMUNITY MEAL - SUNDAY 26th AUGUST FROM 5pm

You are all warmly invited to a community meal hosted by the Atlantic Islands Centre. The meal will be buffet style - with something for everyone, giving the staff team a chance to share the new range of cold foods in the chiller cabinet. Please RSVP so we know how much to make. Food is free, bar will be open and/or you are welcome, on this occasion to bring your own drink & give us a donation corkage fee. Tea & filter coffee will also be available.

NEW BAKERS SHELVES

The Luing Bakers team now have a set of shelves on which to display their delicious wares. Baking continues to be one of our best sellers - look out for some of their recipes being included in a very well known bakers book soon!

ISLE OF LUING COMMUNITY TRUST AGM - 23rd SEPT 5:30pm

All welcome - please come & join us. We are keen for members old & new to come & get involved & help elect the board that will lead us forwards. Jane is going to be out & about over the coming weeks talking to people about membership, the organisation & how it can be better representative of the Luing Community. We are keen to grow the membership & to attract new board members (particularly women) onto the board. If you are interested please speak to Jane.

SMALL EXTENSION PLANS

Three years in, it is clear that, to work efficiently, the Centre requires better and extra storage, particularly for the kitchen. The back room, planned to be an office/meeting space has ended up as kitchen storage. The Trust has plans to add a small extension to the back of the existing kitchen and a small store shed on the current gravelled area next to the quarry.

Drawings have just been received from the architect and will soon be up on the wall in the Centre for people to view - please let us know if you have any questions or comments.

WORKSHOPS & MORE....

There was a great time had by all (despite the drizzle) seaweed foraging with Duncan Smallman. Look out for more workshops and activities during Autumn and Winter which we will be booking based on feedback from the events survey completed earlier this year. If there is a particular workshop you would like to see happening, please let us know.

LUING HISTORY GROUP NEW EXHIBITIONS

The upstairs gallery at the AIC features two new exhibitions. There's a fascinating display of traditional crafts on Luing, with beautiful examples of needlework, rag rugs, model boats, spinning & a gorgeous lace wedding dress. If you're interested in archaeology, come & see the photos of some of Luing's amazing prehistoric & historic sites. Both exhibitions are works in progress, so there'll be changes & additions over the coming weeks.

MONDAY LUNCH CLUB

This gathering has been going strong at Toberonochy Hall (27 folk one week!) There is one final lunch - 27th Aug in Tob & then we look forward to welcoming folks back to the Centre from Mon 3rd Sept. I am sure everyone who has enjoyed the lunchclub over this summer will join in a huge thank you to all the volunteers that made this happen (particularly Mary B & Luing bakery, Gemma, Carol, Pat, Gen & Mary W)
